Habitats

Worksheet

You are offering the first submersible tour to one of Canada's extreme deep-sea habitats. It is up to you to create a travel poster that will convince people to take your tour.

Choose one of the following habitats for your tour:

- I. The Mud Volcanoes of the Beaufort Sea
- II. The Gully off Nova Scotia
- III. The Hydrothermal Vents of the Juan de Fuca Ridge

Your poster should include the following:

- I. The name of your chosen habitat
- II. A slogan to persuade people to take your tour
- III. Images or text that describe the amazing sights visitors will see on your tour. The sights should include:
 - A. **Abiotic** or non-living components of the habitat
 - B. **Biotic** or living things in the habitat
